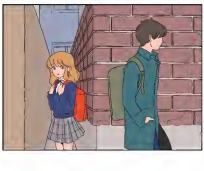
*OPPA LITERALLY MEANS BROTHER BUT CAN BE USED BY GIRLS TO REFER TO AN ABORDED AN OLDER MALE, WHICH IS THE CASE HERE

Lately, I have an oppa that I like.

He is in his 2nd year of university,

and he's only three years older than me, who turned 18 this year...



It's only 3 years, but...

Look like a grown up to me?

Oppa's scent
